

Realm of the Senseless

The Cassandra Complex

Words hang still in the air
No god hears my prayer
All I can see is the inside of me
All I can do is play solitaire
Let me inside, you have too much pride
Let me inside
Let me inside, you know I'll provide
Let me inside

I want to know how you feel
I want to know if it's real
I'm losing my senses, I am losing control
I'm losing my senses, I can't take any more
I'm losing control

My dead twin's face hangs in this place
Hangs and swings on eagle's wings
Blood drips on my head as I fall on the bed
And sleep where you bled

I want to know how you feel
I want to know if it's real
I'm losing my senses, I am losing control
I'm losing my senses, I can't take any more
I'm losing control
