Sleeper

The Cassandra Complex

I've been in this place for too long
 Lying in wait
 A man without a life
 Of my own
 A bomb without a fuse
 A sentence without a stop
 A start without an end

 I'm a sleeper

 Someday the phone will ring
 I'll get my orders
 I'll come awake
 And I'll go home
 I will go home

 I'm a sleeper

 I'm a sleeper
 Loneliness keeps me alive
 I'm a sleeper
 But I will go home

 Someday I'll go home
 Someday I'll go home
 Not sleeping but dreaming
 I'm a sleeper
