

# Life On the Line

## The Casualties

The end is near the time has come  
You've lived an evil life  
and now that life is done

Can't run away, you'll never hide  
because you know you're chosen  
You're chosen to die!

YOU'VE RUN OUT OF TIME  
YOUR LIFE'S ON THE LINE

This is the end-you're gonna die

YOU'VE RUN OUT OF TIME  
YOUR LIFE'S ON THE LINE

you're gonna die-you're going down

You're burning bridges way too fast  
you've got no friends left  
no one gives a damn

The end has come, you're gonna fry  
Your world has nothing left  
but evil and lies!

No one walks away from this  
Death's aim is true  
receive your fatal kiss!

The end is near, the time has come  
You've lived an evil life  
and now that life is done

YOU'VE RUN OUT OF TIME  
YOUR LIFE'S ON THE LINE

This is the end-you're gonna die

YOU'VE RUN OUT OF TIME  
YOUR LIFE'S ON THE LINE

you're gonna die-you're going down

YOU'VE RUN OUT OF TIME  
GET READY TO DIE!
