The Casualties

[man talking during the intro riffs:]
the music, if you can call it that, physically assaults anyone dumb enough to listen.

[guitar repeats intro]

sniffing glue!
drinking beer!
dont give a fuck how the hippies feel!

this is for you, joey!
your memory fucking lives!
your three chord wonders made in n.y.c.!

gabba gabba hey!
punk is here to stay!
hey ho lets go!
sniffin glue all day!
[repeat]

blitzkreig bop
punk is born
on the street corner of my hometown

they called you dumb
the punks heard the noise
the scene u created
street punks born

gabba gabba hey!
punk is here to stay!
hey ho lets go!
sniffing glue all day!
[repeat]

teen lobotomy
we're the pin heads
made in n.y.c. where the true punks live

fuck hippie Hendrix
fat elvis in his grave
pet cemetary wont be your resting place!

gabba gabba hey!
punk is here to stay!
hey ho fucking lets go!
sniffing glue all day!
[repeat]

[jimbo:] one two! one two three four!

sniffin glue
drinkin beer
hey now fuck how hippies feel

this is joey
memory lives

three chord wonders n.y.c

blitzkreig bop
punk is born
on the corner of my town

called u dumb
punx heard noise
scene u created punk is born!

gabba gabba hey!
punk is here to stay!
hey ho fucking lets go!
and sniffing glue all day!
[repeat]
