

# Modern Day Slaves

## The Casualties

The American Dream  
a life of comfort  
Earn and you shall pay!  
They're game we're bred  
and forced to play

Early on, we're taught to dream  
Dependence in disguise!  
Break your back for someone else  
They record every dollar you earn

MODERN DAY SLAVE  
For education-train to live their way  
MODERN DAY SLAVE  
To own your home-their deadlines you obey  
MODERN DAY SLAVE  
To drive your car-independence or a leash?  
MODERN DAY SLAVE  
To spend your money  
PRISON WITH INVISIBLE BARS

Every day-work so hard  
Earn and you shall pay!  
Cherish everything money buys  
This is the price you pay for freedom  
Are you really free?  
A shackle on your name!

Early on, we're taught to dream  
Dependence in disguise!  
Break your back for someone else  
They record every dollar you earn

MODERN DAY SLAVE  
For education-train to live their way  
MODERN DAY SLAVE  
To own your home-their deadlines you obey  
MODERN DAY SLAVE  
To drive your car-independence or a leash?  
MODERN DAY SLAVE  
To spend your money  
PRISON WITH INVISIBLE BARS
