

Morality Police

The Casualties

Human life has value
until it steps out of line
Religious police will kill you
and stone you to death!

This is not the medieval past
this is today!
Strange looks and new ideas
execution by the church!

FUCK YOUR RELIGION
MORALITY POLICE
FUCK YOUR RELIGION
MORALITY POLICE

You can't control us
YOU CAN'T CONTROL US
You can't control us
FUCK YOUR MORALITY POLICE

Youth that don't fit in
were approved for slaughter
Mother never sees him again
running scared and murdered

Interior ministry
they want to kill you-want to kill me
Lifeless bodies in dumpsters
Murder in the name of god!

FUCK YOUR RELIGION
MORALITY POLICE
FUCK YOUR RELIGION
MORALITY POLICE

You can't control us
YOU CAN'T CONTROL US
You can't control us
FUCK YOUR MORALITY POLICE
