

# No Hope

## The Casualties

What I've seen through all my life  
I'm here to fucking tell

About the fucking concrete life  
people want a better life

There's a great generation lost  
With no future and no hope

NO HOPE-NO WAY-A BETTER WAY!!

NO HOPE-FOR YOU  
NO HOPE-FOR YOU

Kids are fucked up today  
Commit crime and joining gangs

The solution the system gives  
joining the military gangs

What a generation lost  
with no future and no hope

NO HOPE-NO WAY-A BETTER WAY!!

NO HOPE-FOR YOU  
NO HOPE-FOR YOU

There's no hope for kids today,  
gotta be a better way!  
No hope for the youth today,  
gotta be a better way!

NO HOPE-NO WAY-A BETTER WAY!!

NO HOPE-FOR YOU  
NO HOPE-FOR YOU

There's no hope for kids today,  
gotta be a better way!  
No hope for the youth today,  
gotta be a better way!
