

Punk Rock Love

The Casualties

Into a scene full of lies
Met you there, you seemed alright
Gave you love, gave you a heart
All you gave me... Broken Heart

Broken heart - I want it back
Broken heart - I got it back

Oh my love, oh my dear
Loved you dear , oh so dear
Gave you love, gave you a heart
All you gave me ... broken heart

Broken Heart - I want it back
Broken Heart - I got it back

Gave you love, gave you a heart
All you gave me, Broken heart
