

Punx Unite

The Casualties

if the punx, are united
they will never, be divided
(8x)

fast and loud our sound is strong
young and old singing along
all around this fucking world
underground punk will be strong

[Chorus x2]
together we survive- punx unite
divided we will die- punx unite

no divisions or tribal wars
no more fighting at thoe shows
drinking together singing songs
underground punk will be strong

[Chorus]

forming bands, setting up shows
writing zines, getting involved
no more posers at the shows
underground punk will be strong

[Chorus]

[Repeat 1st Verse]
