## The Casualties

OI! OI!  
Resistance!!

We fight to win  
prisoners of the state with restless hate  
We don't care what they say  
we've been here for years  
and we're still this way  
Holes in our clothes  
boots on city streets  
OUR NOISE IS A DIFFERENT BEAT  
They don't understand  
and they don't need to  
Just a way of life for me and you

RESISTANCE! Oh!  
RESISTANCE! Oh oh!  
OI! OI! OI!  
OI! OI! OI!

Resistant to this society  
Life is hard full of misery  
Records and shows are all we have  
We see this world in a different way

RESISTANCE! Oh!  
RESISTANCE! Oh oh!  
RESISTANCE!

The scene is small  
but it's heart is true

STAND TOGETHER

Help each other through  
We always have a place for you  
Just one life-It's up to you  
We can never be stopped  
OI!
