

Social Outcast

The Casualties

WE ARE THE ENEMIES - OF THIS SOCIETY

To the deprived
And the neglected
To the unwanted
And all the ones discarded in this world

SOCIAL OUTCAST - SOCIAL OUTCAST
WE ARE THE ENEMIES - OF THIS SOCIETY

No matter what's needed
Or how great the hurry
As long as there's rebels
You don't need to worry, we're standing beside you

SOCIAL OUTCAST - SOCIAL OUTCAST
WE ARE THE ENEMIES OF THIS SOCIETY
