

Ugly Bastards

The Casualties

Out of School, I've got no work
So my parents kicked me out of home
My girlfriend yesterday
Left me alone, and me insane

Oh your god was I all wrong?
Ugly bastards, You ugly bastard
Was it all just my fault?
Ugly bastards, You ugly bastard
No one cares what you blame
Ugly bastards, We're ugly bastard
Is it me? What a shame
Ugly bastards, We're ugly bastards

So I say it once again
Because I'm lousy, I'm in lame
Always seem to be alone
No one by my side for long

Oh your god I'll prove you wrong
Ugly Bastards, You ugly bastard
No It was not my fault
Ugly bastards, We're ugly bastards
I'll judge you, My own way
Ugly bastards, We're ugly bastards
Can't you see you're the one to blame
Ugly Bastards, We are fucking ugly

I'm sayin' it, once again
All us uglies go insane
We've got nothing to lose
Because we're punk, this is true

Yeah!

So I say it one more time
Ugly Bastards, you ugly bastard
We are ugly Bastards now
Ugly Bastards, you ugly bastard
All we do is scream and shout
Ugly bastards, We're ugly bastards
Dash and jump all around
Ugly Bastards, We're ugly bastards
