

Victims

The Casualties

victims-of what youre fucking bill dictates
victims-of all the fucking greed and fucking hate
victims-cuz the fucking law always says so
victims-in this fucking world we know

we're all victims - we're all victims
we are society's - rejects

hatred-for this life my fucking life to live
hatred-to the fucking looks you like to give
hatred-into life of a pile of shit
hatred-I just can't wait to fucking quit

we're all victims - we're all victims
we are society's - rejects

resist-what they say is always fucking right
resist-that is so fucking hard to fight
resist-cuz they coontrol this fucking world
resist-they control your fucking mind and soul
