

Voice of the Outcast

The Casualties

Ohh Ohhh

This is our life, this is our struggle

Ohhh

This is our life, this is our fight...

We are the ones that struggle and fight!

We take control of our own lives!

To all the people that don't belong

we're here tonight to scream this song

THIS IS.. VOICE OF THE OUTCAST

To all the people that don't conform

we're here tonight to scream this song

THIS IS.. VOICE OF THE OUTCAST

We are the ones that still resist!

We are the ones that will survive!

To all the people that don't belong

we're here tonight to scream this song

THIS IS.. VOICE OF THE OUTCAST

To all the people that don't conform

we're here tonight to scream this song

THIS IS.. VOICE OF THE OUTCAST

THIS IS THE VOICE OF THE OUTCAST!!

THIS IS THE VOICE OF THE UNKNOWN!!

We are the ones, we will unite!

We are the ones, carry on the fight!

Ohhh

This is our life, this is our struggle

Ohhh

This is our life, this is our fight!!!!
