

# We Are All We Have

## The Casualties

We are all we have tonight  
WOAH OHHH OHHH

The ones you can't control  
Brought together by lifes twist  
Have only one another to depend upon  
Displaced from society, outcast we are  
We have nothing to live up to  
We are all we've got

HEY! Loud, fast music  
HEY! Sweat and dirt  
HEY! Songs from a man's soul  
HEY! Noise of battle  
HEY! Black clouds of smoke  
HEY! It's time to lose control

COME ON GET UP NOW  
Vengeance with our fist  
RIGHT NOW  
Screaming in the air

WHOA OHHH OHHH  
We are all we have tonight

All these joys and sorrows  
I gladly sadly bring  
This music's all we've got  
The only place I need is drinking here  
tonight  
Together with you all

HEY! Loud, fast music  
HEY! Sweat and dirt  
HEY! Songs from a man's soul  
HEY! Noise of battle  
HEY! Black clouds of smoke  
HEY! It's time to lose control

COME ON GET UP NOW  
Vengeance with our fist  
RIGHT NOW  
Screaming in the air

WHOA OHHH OHHH  
We are all we have tonight

NOW- Vengeance with our fist  
WHOA OH OH- Screaming in the air

The only place I need is drinking here with  
you  
WE ARE ALL WE HAVE TONIGHT  
This noise is all we've got  
So let me hear you sing  
WE ARE ALL WE HAVE TONIGHT

HEY! Loud, fast music  
HEY! Sweat and dirt  
HEY! Songs from a man's soul  
HEY! The only songs we need

WHOA OHHH OHHH  
We are all we have tonight
