

Who's Gonna Be...

The Casualties

Running with a gang
In the dirty part of town
Running with a gang
You think you know it all
Running with a gang
What a fucking waste of time
Running with a gang
What a stupid way to die

Who's gonna be
When the cops come around
Who's gonna be there
When There's no one by your side
Who's gonna be there
When you find yourself all alone
Who is gonna be there
When you're behind fucking bars
