## Who's Gonna Be...

## **The Casualties**

Running with a gang In the dirty part of town Running with a gang You think you know it all Running with a gang What a fucking waste of time Running with a gang What a stupid way to die

Who's gonna be When the cops come around Who's gonna be there When There's no one by your side Who's gonna be there When you find yourself all alone Who is gonna be there When you're behind fucking bars
