

Am I Wrong

The Cat Empire

All they tell me is hope
All they tell me is lies
I can't hide so I run
Across the globe like a spy
But the sun makes a hole
Burning right through the sky
All my feelings are bold
And my thoughts are alive
I would follow you there
Through these thoughts to the sun
Through the black in my eye
As if 'I' was the one
Is it me who is lead?
Or unsaid do I lead
With these drums to the ends of all streets?

Am I wrong Mother Theresa?
It's been so long, but I want to believe you

If a thought was a bomb
That was tripped by desire
We could light up these halls
We could dance through the fire
On an ocean of dreams
In devotion of cause
In emotion of fears
In a notion that roars out
I love you, I love you,
I love you, I love you
But I need you to cry
Or I need you to do something
Magic like sing
As if holding to life
Or I need you to fall and to fall and to fly

Am I wrong Mother Theresa?
It's been so long, but I want to believe you
Am I wrong Mother Theresa?
It's been so long, but I want to believe you

Am I wrong?
Am I wrong?
Am I wrong?

You called me last night
You said 'Please stay inside'
But I was deep in the storm
I was deep in the riot
On the rise of a falling
Horizon I cried
'Is it wrong to be born and defy?'

Am I wrong Mother Theresa?
It's been so long, but I want to believe you
Am I wrong Mother Theresa?
It's been so long, but I want to believe you
