

Like A Drum

The Cat Empire

I know my way, I know my star
Marina mas allá
No one fears who we are
Marina ven para acá
Always near, always far
El cielo alcanzarás
Know my way know my star
Es vida lo que das

No me digas lo que és
Lo que viene mas allá
Oh oh oh oh oh oh oh
La Marina va pa' allá
Oh oh oh oh oh oh oh
La Marina de Bahia

Ooh Marina, Ooh my love, Ooh Marina,
My heart is beating like a drum
my heart is beating like a drum
My heart is beating like a drum
