

## Ooo Yea

The Cataracs

Say she want it, ooooyea  
... she want it, ooooooyeaa  
... she want it, ooooooyeaa  
She say oooyea

Where have you been, it's not the same  
They don't know me, only my name  
Know it's been so long,  
But I've been drinking all night and I'm gone, gone, gone  
I need your skin, I want your face  
To feel you breathe, to hear you say  
I know it's wrong, I know it's wrong, wrong, wrong  
But I got the prescription that you want, want, want

Oooyea, oooyea, oooyea, oooyea  
Oooyea, oooyea, oooyea, oooyea  
Oooyea, oooyea, oooyea, oooyea  
Oooyea, oooyea, oooyea, oooyea

I've been ... without a raise  
I can't sleep any escape  
From you is like a song  
I could play with ya, play with ya, all night long  
I know you ... it's not too late  
To sink your teeth, what do you say?  
I know it's wrong, I know it's wrong, wrong, wrong  
But I got the prescription that you want, want, want

Oooyea, oooyea, oooyea, oooyea  
Oooyea, oooyea, oooyea, oooyea  
Oooyea, oooyea, oooyea, oooyea  
Oooyea, oooyea, oooyea, oooyea

Say she want it, ooooyea  
... she want it, ooooooyeaa  
... she want it, ooooooyeaa  
She say oooyea

Oooyea, oooyea, oooyea, oooyea  
Oooyea, oooyea, oooyea, oooyea  
Oooyea, oooyea, oooyea, oooyea  
Oooyea, oooyea, oooyea, oooyea
