

## Oooyea

The Cataracs

Say she want it, ooooyea  
In her head she she want it, ooooooyeaa  
In the bed she want it, ooooooyeaa  
She say oooyea (2x)

Where have you been, it's not the same  
They don't know me, only my name  
Know it's been so long,  
But I've been drinking all night and I'm gone, gone, gone  
I need your skin, I want your face  
To feel you breathe, to hear you say  
I know it's wrong, I know it's wrong, wrong, wrong  
But I got the prescription that you want, want, want

Oooyea, oooyea, oooyea, oooyea  
Oooyea yea, oooyea yea, oooyea yea, oooyea yea

I can win without a race  
I can't see any escape  
From you is like a song  
I could play with ya, play with ya, all night long  
Are you in its not too late  
To sink your teeth, what do you say?  
I know it's wrong, I know it's wrong, wrong, wrong  
But I got the prescription that you want, want, want

Oooyea, oooyea, oooyea, oooyea  
Oooyea yea, oooyea yea, oooyea yea, oooyea yea

Say she want it, ooooyea  
In her head she want it, ooooooyeaa  
In the bed she want it, ooooooyeaa  
She say oooyea yea (2x)

Its the Cataracs

Oooyea, oooyea, oooyea, oooyea  
Oooyea, oooyea, oooyea, oooyea  
Oooyea, oooyea, oooyea, oooyea
