```
Ah
rock me from the bay of Mexico
I row me to the shores of Montego bay.
I met a lady
please let me stay.
Here in your warm brown arms
Till I melt away.
Be my day
honey be my night.
If I drift away
honey be my light.
Shine on
let your light shine on.
And I will sail on home.
Shine on
let your light shine on
And I will sail on home.
Sing a la la la
And I sing hey
Yeah
yeah
yeah
yeah
yeah
yeah
And I will sail on home
Sing a la la la
And I sing hey
Yeah
yeah
yeah
yeah
yeah
```

yeah.
