

## Roses

The Chainsmokers

Taking it slow, but it's not typical  
He already knows that my love is fire  
His heart was a stone, but then his hands roamed  
I turned him to gold and it took him higher

Well, I'll be your daydream, I'll be your favorite things  
We could be beautiful  
Get drunk on the good life, I'll take you to paradise  
Say you'll never let me go

Deep in my bones, I can feel you  
Take me back to a time only we knew  
Hideaway  
We could waste the night with an old film  
Smoke a little weed on the couch in the back room  
Hideaway  
Say you'll never let me go  
Say you'll never let me go

Ah, ah, ah  
Ah, ah, ah  
Ah, ah, ah  
Say you'll never let me go  
Say you'll never let me go  
Say you'll never let me go  
Say you'll never let me go

Deep in my bones, I can feel you  
Take me back to a time only we knew  
Hideaway  
We could waste the night with an old film  
Smoke a little weed on the couch in the back room  
Hideaway  
Say you'll never let me go  
Say you'll never let me go

Ah, ah, ah  
Ah, ah, ah  
Ah, ah, ah  
Say you'll never let me go  
Say you'll never let me go  
Say you'll never let me go
