

## Side Effects

The Chainsmokers

It's 4AM, I don't know where to go  
Everywhere is closed, I should just go home, yeah  
My feet are taking me to your front door  
I know I shouldn't though, heaven only knows

That ooh, the side effect to my loneliness is you

Ooh, you're all that I want  
No good at giving you up  
Come on and give me some love tonight  
Ooh, you're all that I want  
No good at giving you up  
Come on and give me some love tonight

This happens every time I try to mix  
Decision making with one too many drinks

But, ooh, if late night friends have consequences, cool yeah

Ooh, you're all that I want  
No good at giving you up  
Come on and give me some love tonight  
Ooh, you're all that I want  
No good at giving you up  
Come on and give me some love tonight  
Oh, I think about it all the time  
Make it happen in my mind, I'm telling you, yeah  
Ooh, you're all that I want  
No good at giving you up  
Come on and give me some love tonight

Time should've taught me the lesson  
Went looking for a sign, but instead I got a message  
I take off my pride every time we undressing  
Draw the line, I'm by the line, yeah  
Time should've taught me the lesson  
Went looking for a sign, but instead I got a message  
I take off my pride every time we undressing  
Draw the line, I'm by the line

Ooh, you're all that I want  
No good at giving you up  
Come on and give me some love tonight, yeah
