

Come An Inch Closer

The Chant

Desire is not a bad thing
I promise you I'll make you sing
I remember every thing that you said
All those words are still ringing in my head well

Was is good enough for you
It was good enough for me
Good enough for you
Come an inch closer
Come an inch closer
Come an inch closer to me

All I want from you is your agape' love
All I want from you is your agape' love
Was it good enough for you
It was goo enough for me
Good enough for you
Come an inch closer
Come an inch closer
Come an inch closer to me

I love your eyes
I love your hair
I love your skin, it's a sin
I love your love
