

Unlucky In Love

The Chant

[Verse 1]

You skinned your heart
You like to play the part
Of the lonely lover
You took your heart
You threw it to the tides of love
And it washed up on the shores of despair

[Chorus]

You are unlucky in love
Unlucky in love again
Unlucky in love
Unlucky in love

[Verse 2]

The lovers will pray to me
I am their patron saint
Yes the lovers will pray to me
On the cliffs of love
God knows I am one
God knows I am
And so are you

[Chorus]

You are unlucky in love
Unlucky in love again
Unlucky in love
Unlucky in love

[Verse 3]

Bridges are burned here
Never to return
We see the trail of tears
Left by the lonely hearts
The lonely hearts
