The Chariot

Is this the game?
Is this the way?
Or is this the fortune fabulous?
We found our song and it reads loud.
So speak it all the way up.
From the dirt straight to the grave, love is such a mighty long
word.
Such a novel act.
Just stay awake.
From the dirt to the grave.
Is that a fact?
Make your mistake.
We supplied all your demands.
Give praise to the mediocre.
We built this on love.
