

The Heavens

The Chariot

Well, if this is a revolution, grab the kids, grab the neighbors alike.

If I had a gun for every time we spoke, I could arm the whole world and take it for ransom.

Dear Lord would you rescue me.

We cannot delete it just because of the trend tossed about by the waves of the sea.

We cannot delete it just because of the fight that is here. When we say it, we mean it.

Cannot delete it, we are not here because coat tails rain before the love.

Cannot delete it just because of the truth that rains and shakes inside.
