

# The Only One I Know

The Charlatans (UK)

The only one I know  
Has come to take me away  
The only one I know  
Is mine when she stitches me

The only one I see  
Has found and aching in me  
The only one I see  
Has turned her tongue into me

Everyone has been burned before  
Everybody knows the pain  
Everyone has been burned before  
Everybody knows the pain

The only one I know  
Never cries, never opens her eyes  
The only one I know  
Wide awake and then she's away

The only one I see  
Is mine when she walks down our street  
The only one I see  
Has carved her way into me

Everyone has been burned before  
Everybody knows the pain  
Everyone has been burned before  
Everybody knows the pain
