All In Me

The Cheetah Girls

There ain't no gettin' me down today The sun is shining nothing's in my way I grab my purse, call my girls right now its "for realin' in" good?

I'm doin' fine independently
I might be busy but I'm still free
Now is the time to unwind tonight I'm all (?)

So if you feelin' it too well come on Do what you've got to do (can't you hear that they're playin our song) All you need is you (don't be shy get on the floor)

I'm breakin loose tonight
I'm in the mood to get crazy
And the night is young it's time to play (it's time to play)
We're steppin' out tonight
Can't tell me what to do no way (no way)

'Cuz all I need is all in me My eyes can only see the stars tonight (stars tonight) Ladies only no boys allowed (no boys allowed) We're havin' some fun don't want nothin from no one That's right(that's right)

So if you feelin' it too well come on Do what you've got to do (can't you hear that they're playin our song) All you need is you (don't be shy get on the floor)

I'm breakin loose tonight I'm in the mood to get crazy And the night is young it's time to play (it's time to play) We're steppin' out tonight Can't tell me what to do no way (no way)

The time is now (time is now) So let it out (let it out) Just scream and shout (scream and shout) You can't just follow everybody else

It's not so tough Just live and love You gotta do it your own way yeah x3 You got to, You got to, You got to, you got to do it your own way

I'm breakin loose tonight I'm in the mood to get crazy And the night is young it's time to play (it's time to play) We're steppin' out tonight Can't tell me what to do no way (no way)

'Cuz all I need is all in me
