

Cheetah Sisters (Barcelona Mix)

The Cheetah Girls

There's a time when we all choose
To either quit
or follow through
To just loose faith
or trust your heart somehow lead you through the dark
were not the only one
whos dreamin'
who needs help to carry on

We might get lonely but were not alone
Cuz we are sisters we stand together
we make up one big family though we don't look the same our spots are
different,
different colors we make stronger that aint ever gonna change
We're Cheetah girls Cheetah sisters
Gotta do what i gotta do
Got the brains got the power and we speak the the truth

We're from everywhere all around the world
so you best respect the cheetah girls

Dancing singin from our birth
Working hard for what we deserve

Trying not to break the rules
Cause momma didn't raise no fool
It may seem where only dreamin'
And we need help to carry on
It's good to know we're not alone

Cuz we are sisters we stand together
We make up one big family although
we don't look the same
Our spots are different, different colors (different colors)
We make make each other stronger
that ain't ever gonna change (we're even mister)
We're cheetah girls cheetah sisters

Someones always there behind
To catch us if we fall

Cuz we are sisters we stand together
We make up one big family although
we don't look the same
Our spots are differeent, different colors (different colors)
We make make each other stronger
that aint ever gonna change
