## The Cheetah Girls

Theres a time when we all choose  
To either quit or follow through  
To just loose faith  
Or trust your heart  
To somehow lead you through the dark  
You're not the only one who's dreamin'  
And who needs help to carry on  
We might get lonely but we're not alone

Cause we are sisters  
We stand together  
We make up one big family though we don't look the same  
Our spots are different  
Different colors  
We make each other stronger  
That ain't ever gonna change  
We're cheetah girls cheetah sisters

Gotta do what we gotta do  
Got the brains, got the power and we speak the truth  
We're from everywhere all around the world  
So ya best respect the cheetah girls  
Dancing, singing from our birth  
Working hard for what we deserve  
Trying not to break the rules  
'Cause mama didn't raise no fools  
It may seem we're only dreaming  
And we need help to carry on  
Its good to know we're not alone

Cause we are sisters  
We stand together  
We make up one big family though we don't look the same  
Our spots are different  
Different colors  
We make each other stronger  
That ain't ever gonna change  
Believe it mister  
We're cheetah girls cheetah sisters

Someone's always there behind  
To catch us if we fall

Cause we are sisters  
We stand together  
We make up one big family though we don't look the same  
Our spots are different  
Different colors  
We make each other stronger  
That ain't ever gonna change

Believe it mister  
We're cheetah girls cheetah sisters
