

Dance With Me

The Cheetah Girls

Follow me into my world
Let your worries fade with every step you take
Baby whatcha waiting for?

Let the Tango take control
Feel the music inside your soul, oh
My hand is out, just grab a hold

Watch time fade away, my arms will keep you safe
It's just you and me, dancing in this dream
Whatever you do, don't wake me up
I know the feeling's real, I won't let it stop, no

Don't be afraid, take my hand
Forget the world, will you dance?
Dance with me
Podemos bailar eternamente

Trust in me, take a chance
Feel the Tango when you dance
Dance with me
Podemos bailar eternamente

Now I have you next to me
Everything is how it should be, oh, yeah
Baby, don't fight the feeling

We're floating on the clouds
If I could, I'd never come back down, no, no
Baby, just keep on groovin', groovin'

As time fades away, my arms will keep you safe
It's just you and me, dancing in this dream
Whatever you do, don't wake me up
I know the feeling's real, I won't let it stop, no

Don't be afraid, take my hand
Forget the world, will you dance?
Dance with me
Podemos bailar eternamente

Trust in me, take a chance
Feel the Tango when you dance
Dance with me
Podemos bailar eternamente

Dance with me
For this moment in time
My darling, just dance with me
If for only one night

Don't be afraid, take my hand
Forget the world, will you dance?
Dance with me
Podemos bailar eternamente

Trust in me, take a chance

Feel the Tango when you dance
Dance with me
Podemos bailar eternamente
