Dance With Me

The Cheetah Girls

Follow me into my world Let your worries fade with every step you take Baby whatcha waiting for?

Let the Tango take control Feel the music inside your soul, oh My hand is out, just grab a hold

Watch time fade away, my arms will keep you safe It's just you and me, dancing in this dream Whatever you do, don't wake me up I know the feeling's real, I won't let it stop, no

Don't be afraid, take my hand Forget the world, will you dance? Dance with me Podemos bailar eternamente

Trust in me, take a chance Feel the Tango when you dance Dance with me Podemos bailar eternamente

Now I have you next to me Everything is how it should be, oh, yeah Baby, don't fight the feeling

We're floating on the clouds If I could, I'd never come back down, no, no Baby, just keep on groovin', groovin'

As time fades away, my arms will keep you safe It's just you and me, dancing in this dream Whatever you do, don't wake me up I know the feeling's real, I won't let it stop, no

Don't be afraid, take my hand Forget the world, will you dance? Dance with me Podemos bailar eternamente

Trust in me, take a chance Feel the Tango when you dance Dance with me Podemos bailar eternamente

Dance with me For this moment in time My darling, just dance with me If for only one night

Don't be afraid, take my hand Forget the world, will you dance? Dance with me Podemos bailar eternamente

Trust in me, take a chance

Feel the Tango when you dance Dance with me Podemos bailar eternamente
