

Fuego

The Cheetah Girls

Yeah, here we go
We movin' just like the ocean
It's pullin' you in with every motion
You can't stop with a beat this hot
Como fuego, fuego

We bringin' outta you the Islands
Oh so hot, poppin' out the hydrants
In the streets all the kids they scream
Como fuego, fuego

The O.C. to the Lower East Side
We're gonna set the night on fire
Jersey down to the Islands, it's all night long
Come on now

From Miami and L.A. to the Chi
We're gonna set the night on fire
Hitsville to the to the ATL, it's all night long
Come on now

Ooh ah, just turn it up
We make it hot from the streets to the club
Ooh ah, we turn it up
Como fuego, fuego, fuego, fuego

Ooh ah, just turn it up
We make it hot from the streets to the club
Ooh ah, we turn it up
Como fuego, fuego, fuego, fuego

Party, fiesta, together, forever, siempre
Come on and sing this song
Party, fiesta, together, forever, siempre
We're dancin' all night long

Won't stop 'til the moon is settin'
What you see now is what you gettin'
You can't quit with the heat so sick
Como fuego, fuego

So of people
Do it again let's read the sequel
You can't counterfeit this hit
'Cause it's fuego, fuego

The O.C. to the Lower East Side
We're gonna set the night on fire
Jersey down to the Islands, it's all night long
Come on now

From Miami and L.A. to the Chi
We're gonna set the night on fire
Hitsville to the to the ATL, it's all night long
Come on now

Ooh ah, just turn it up

We make it hot from the streets to the club
Ooh ah, we turn it up
Como fuego, fuego, fuego, fuego

Ooh ah, just turn it up
We make it hot from the streets to the club
Ooh ah, we turn it up
Como fuego, fuego, fuego, fuego

Party, fiesta, together, forever, siempre
Come on and sing this song
Party, fiesta, together, forever, siempre
We're dancin' all night long

Come and dance with me, take a chance with me
Feelin' like a dream, now hold on if you can
Como fuego, como fuego
So baby, take my hand, baila conmigo

Ooh ah, just turn it up
We make it hot from the streets to the club
Ooh ah, we turn it up
Como fuego, fuego, fuego, fuego

Ooh ah, just turn it up
We make it hot from the streets to the club
Ooh ah, we turn it up
Como fuego, fuego, fuego, fuego

Party, fiesta, together, forever, siempre
Come on and sing this song
Party, fiesta, together, forever, siempre
We're dancin' all night long
