

Girl Power

The Cheetah Girls

Throw your hands up if you know that you're a star
You better stand up if you know just who you are
Never give up never say die
Girl Power Girl Power!!
Throw your hands up if you know that you're a star
You better stand up if you know just who you are
Never give up never come too far
Girl Power Girl Power!!

I've made mistakes before but I know I'm not perfect
It's okay 'cause who could ever be
As long as I did my best
It don't matter what no one says
'cause deep down in my heart I got the power to make it all happen

Throw your hands up if you know that you're a star
You better stand up if you know just who you are
Never give up never say die
Girl Power Girl Power!!
Throw your hands up if you know that you're a star
You better stand up if you know just who you are
Never give up never come too far
Girl Power Girl Power!!

At times I may just feel like
my back is to the wall,
I hold my head up high
And keep on standin' tall
I know that my back is covered
Because we have each other
and we're down for whatever.
If you hear me throw your hands up

Throw your hands up if you know that you're a star
You better stand up if you know just who you are
Never give up never say die
Girl Power Girl Power!!
Throw your hands up if you know that you're a star
You better stand up if you know just who you are
Never give up never come too far
Girl Power Girl Power!!

Sometimes life may get you down
But you better hold your ground
Can't nobody live your life but you
Stay true to who you are
And always follow your heart
Your heart, your heart

Throw your hands up if you know that you're a star
You better stand up if you know just who you are
Never give up never say die
Girl Power Girl Power!!
Throw your hands up if you know that you're a star
You better stand up if you know just who you are
Never give up never come too far
Girl Power Girl Power!!
