

# Together We Can

The Cheetah Girls

We can do anything  
Just you and me baby baby baby baby babe  
Wait and see.

Hold on, sit tight.  
Are you ready for a crazy ride?  
Your on your own, it ain't right.  
Something gotta give tonight.

So if you wanna run, run and disappear.  
You and I can bust our way right out of here.

Together we can.  
Shoot the moon, stop the rain even ride a hurricane,  
If we wanna.  
Together we can.  
Walk into space, save the human race, do you think we oughta, o  
ughta?  
Here we take our time, we can have it all.  
I don't think we're gonna make it on our own.

Together we can.  
Even ride a hurricane, if we wanna. (C'mon)  
Walk into space save the human race.  
Do you think we oughta?  
Together we can!
