

Who We Are

The Cheetah Girls

I don't want to put on my make-up
Just like every girl in a magazine
That's not who I am when I wake up
That's not who I want to be
There's so much more to me

That meets the eye
It's in life
I know what thing

It doesn't really matter
What you wear
Let the people stare
'Cause we are who we are
Who we are, who we are

It doesn't really matter
What car you drive
It's good to be alive
'Cause we are who we are
Who we are, who we are

Tell me baby
Do I look like the real thing?
Would you change the color of my eyes?
Tell me
Why my television's filling me with lies?

It doesn't really matter
What you wear
Let the people stare
'Cause we are who we are
Who we are, who we are

It doesn't really matter
What car you drive
It's good to be alive
'Cause we are who we are
Who we are, who we are

There's beauty on the inside
And so beautiful, whoa, whoa
Yeah, yeah, yeah

It doesn't really matter
What you wear
Let the people stare
'Cause we are who we are
Who we are, who we are

It doesn't really matter
What car you drive
It's good to be alive
'Cause we are who we are
Who we are, who we are

It doesn't really matter

What you wear
Let the people stare
'Cause we are who we are
Who we are, who we are

It doesn't really matter
What car you drive
It's good to be alive
'Cause we are who we are
Who we are, who we are
