

Give It Away

The Chi-Lites

Give it away
Ooh, hoo, give it away
Give it away
Ooh, hoo, give it away

What's the sense in giving you love
When you're gonna give it away
Oh, yeah And what's sense in giving you kisses

When you're gonna give it away
Oh, yeah You say you have nothing to live for
Baby, baby, I'm here knockin' at your door

Give it away, it's all right (You can do what you wanna)
Give it away, it's all right ('Cause I know you're gonna)
Give it away, give it away

What's the sense in having my love
When I'm gonna give it to you Give it straight to you, baby And
I don't mean maybe

What's sense denying I love you
When you're mad and I'm proud of you Oh, yeah Baby, love was made for two

I know, I know, I know it's meant for me and you
Give it away, it's all right (You can do what you wanna)
Give it away, it's all right ('Cause I know you're gonna)
Give it away, give it away

I love you no matter what you do
Baby, baby, baby, baby
Ah... ah... ah... ah... ah...

It's alright
It's alright
Baby, love was made for two
I know, I know, I know it's meant for me and you

Oh, what's the sense in having my love When I'm gonna give it to you
And what's sense in giving you kisses When it's you I'm gonna be missin'

And what's sense in giving you honey When you're takin' away my money
Oh, baby, baby, baby, baby, baby Yeah, yeah

What's the sense in giving you love What's the sense in giving
you money
