Bad Day

The Chipmunks

Where is the moment we needed the most You kick up the leaves and the magic is lost They tell me your blue skies fade to gray They tell me your passion's gone away And I don't need no carryin' on

You stand in the line just to hit a new low You're faking a smile with the coffee you go You tell me your life's been way off line You're falling to pieces every time And I don't need no carryin' on

Because you had a bad day You're taking one down You sing a sad song just to turn it around You say you don't know You tell me don't lie You work at a smile and you go for a ride

You had a bad day The camera don't lie You're coming back down And you really don't mind You had a bad day Oh you had a bad day

Will you need a blue sky holiday? The point is they laugh at what you say And I don't need no carryin' on

You had a bad day You're taking one down You sing a sad song just to turn it around You say you don't know You tell me don't lie You work at a smile and you go for a ride

You had a bad day The camera don't lie You're coming back down And you really don't mind You had a bad day

Ooh, a holiday Sometimes the system goes on the blink And the whole thing turns out wrong You might not make it back and you know That you could be well oh that strong And I'm not wrong

So where is the passion When you need it the most? Oh you and I You kick up the leaves and the magic is lost

Cause you had a bad day You're taking one down You sing a sad song just to turn it around You say you don't know You tell me don't lie You work at a smile and you go for a ride

You had a bad day You've seen what you like And how does it feel for one more time? You had a bad day You had a bad day
