

## Only You (And You Alone)

The Chipmunks

Only you can make this world seem right  
Only you can make the darkness bright.  
Only you and you alone  
Can thrill me like you do  
And fill my heart with love for only you.

Only you can make this change in me,  
For it's true, you are my destiny.  
When you hold my hand,  
I understand the magic that you do.

You're my dream come true,  
My one and only you.

Everytime she walks by I can't stop staring!  
Look at her lips, that smile that she's wearing!  
She looks at me and I dream I can't go on,  
I guess it's with you girl, cause you are the one  
I got so much to tell her, and you are my only  
One and I can't stand the thought of you lonely  
So open up your eyes, realize my love is true  
And glistenin for only you

Only you and you alone  
Can thrill me like you do  
And fill my heart with love for only you,  
Only you
