

It's Cold Outside

The Choir

Well, my world used to be sunny
And jokes used to be funny
But now you're gone and
Everything's turned all around

Well, my world used to be warm
And there never was a storm
But now you're gone and
Everything's turned upside down

And now it's cold outside
And the rain is pouring down
And the leaves are turning brown
Can't you see

That now it's cold outside
And it's all because of you
Cause there's nothing I can do
To make you love me

Well, my world used to be sunny
And jokes used to be funny
But now you're gone and
Everything's turned all around

Well, my world used to be warm
And there never was a storm
But now you're gone and
Everything's turned upside down

And now it's cold outside
And the rain is pouring down
And the leaves are turning brown
Can't you see

That now it's cold outside
And it's all because of you
Cause there's nothing I can do
To make you love me

And now it's cold outside
And the rain is pouring down
And the leaves are turning brown
Can't you see

That now it's cold outside
And it's all because of you
Cause there's nothing I can do
To make you love me

To make you love me
To make you love me
To make you love me
