## Hold On, I'm Coming

## The Chords

Well don't you ever be sad Lean on me when times are bad When the day comes and you're in doubt, In a river of trouble, about to drown.

Hold on, I'm coming. Hold on, I'm coming.

I'm on my way, your lover
When you get cold, yeah, I'll be your cover
Don't have to worry because I'm here.
Don't need to suffer because I'm here.

Reach out to me for satisfaction. Call my name, quick reaction.

Well don't you ever feel sad Lean on me when times are bad When the day comes and you're in doubt, In a river of trouble and about to drown.
