

Cut In Two

The Church

Downtown

When you're alone and life is making you lonely
You can always go downtown
When you've got worries, all the noise and the hurry
Seems to help, I know, downtown

Just listen to the music of the traffic in the city
Linger on the sidewalk where the neon signs are pretty
How can you lose? The lights are much brighter there
You can forget all your troubles, forget all your cares

So go downtown, things'll be great when you're
Downtown, no finer place, for sure
Downtown, every thing's waiting for you, downtown

Don't hang around and let your problems surround you
There are movie shows, downtown
Maybe you know some little places to go
To where they never close, downtown

Just listen to the rhythm of a gentle bossa nova
You'll be dancing with him too before the night is over
Happy again, the lights are much brighter there
You can forget all your troubles, forget all your cares

So go downtown, where all the lights are bright
Downtown, waiting for you tonight
Downtown, you're gonna be all right now

Downtown, how can you lose?
Downtown, how can you lose?
Downtown, downtown, downtown

Downtown, downtown, downtown

And you may find somebody kind to help and understand you
Someone who is just like you and needs a gentle hand
To guide them along, so maybe I'll see you there
We can forget all our troubles, forget all our cares

So go downtown, things'll be great when you're
Downtown, don't wait a minute more
Downtown, every thing's waiting for you

Downtown
