

## Maya

## The Church

Where, how did you notice?  
Why, what can't you see?  
Yeah, if that's all the difference it makes  
Yeah, it makes it all different for me

Now you're lost in this moment  
Now outside of time  
Now, now you remember it all  
Haa, now that reminds me

Well, what can you do now?  
Where everything's done now?  
Ehh, we really need something out there  
Ahh, this is just Maya to me
