### The Church

I'm sorry if I come across as thoughtless  
I'm happy if I come across at all  
It's useless when the ending becomes endless  
I'm early 'cause there's no where else to go

I hope you don't think that I'm angry  
I hope you don't think that I'm wrong  
I hope you don't think that I'm frightened  
I hope you think that I belong

It's funny that I seem to be so careless  
I'm certain that it's easy to be sure  
It's always when the night has been nightmareless  
It's not as if we ever lived before

I hope you don't think that I'm brutal  
I hope you don't think that I'm dumb  
I hope you don't think that I'm different  
I hope you think that I'm welcome

(I'm sorry if I come across as thoughtless  
I'm happy if I come across at all  
It's useless when the ending becomes endless  
I love you 'cause there's no where else to go)
