

# Silver Machine

The Church

I, I just took a ride  
On a silver machine  
And I'm still feeling mean

Oh, do you want to ride  
See yourself going by  
The other side of the sky  
You gotta know where I've been

And it flies sideways through time  
It's an electric line  
To all the Zodiac signs

I got a silver machine (silver machine)  
I got a silver machine (silver machine)  
I got a silver machine (silver machine)  
In my silver machine

It flies out of a dream  
It's antiseptically clean  
You gotta know what I mean

Oh, do you want to ride  
See yourself going by  
The other side of the sky  
In a silver machine

Silver machine!  
Silver machine!
