The Porpoise Song

The Church

My, my, the clock in the sky is pounding away There's so much to say A face, a voice, an overdub has no choice It cannot rejoice

Wanting to see, to know and to be crying to the sky And the porpoise is waiting goodbye, goodbye

Goodbye, goodbye

Clicks, clacks, riding the backs of giraffes For the laughs is alright for a little while The ego sings of castles and kings And things that go with a life of style

Wanting to feel, to know what is real, living is a lie And the porpoise is laughing goodbye, goodbye

Goodbye, goodbye, goodbye Goodbye, goodbye, goodbye Goodbye, goodbye, goodbye
