

# All That You Give

The Cinematic Orchestra

All that you are  
All that you are  
All that you have  
All that you give  
Mmmm  
You hear me ravin'  
You hear me ravin'  
Ravin', ravin'  
You see me cryin'  
I'm grieving from my hat down to my shoes  
Mmmm-hmm  
All that you are  
All that you are  
All that you have  
All that you give  
All that you give
