## The Cinematics

Grasping like a child to fears of being left behind  
Scratching in the sand for the lost things  
Pouring water on dead flowers hoping they might grow  
again  
Might grow again, might grow again  
Woken up at night by an empty heart  
We'll cry ourselves to sleep  
It was a false start  
A false start

I-I wonder if you  
Could ever stop  
I-I wonder if you  
Just let this go  
I-I wonder if you  
Could ever stop  
I-I wonder if you

Just let it go, let it go, let it go  
It's alright  
Oh, oh, oh  
It's alright  
Oh, oh, oh  
It'll be alright

Walking around these halls for two long years  
Been looking for the door I came in  
But now there's something that I'm waiting for  
There's something that I'm waiting for  
Or maybe I've been chasing it  
I don't know  
But I have to go  
I have to go  
If I try  
Tell me, will you try?

Hold on  
It's alright  
Oh, oh, oh  
It's alright  
Oh, oh  
It'll be alright  
Oh, oh, oh

There's a way out  
We can take it if you like  
It's alright  
It's alright  
It's alright  
It's alright

Turning into something new  
Whatever we may need  
I want to try  
I want to try  
I have to try  
I have to try

To hold on

It's alright  
It's alright  
It's alright  
It's alright  
It's alright  
It's alright  
It's alright  
It's alright
